

CIRCULATION SUPPLIES

FOR IMMEDIATE RELEASE

The Steel City Corporation of Youngstown, Ohio, received their 12th consecutive President's Award from the P.A.G.E. Cooperative (Publishers Associated to Gain Economy), of King of Prussia, PA., at the NEXPO newspaper conference in Washington, D.C. In addition, Steel City's supplier status was upgraded from "preferred" to Platinum.

The President's Award recognizes the supplier servicing the greatest number of members of this 561 daily newspaper member supply-purchasing cooperative. There are 110 PAGE suppliers providing newsprint, ink, and graphics arts materials along with a variety of equipment, systems and services for both publishing and online/new media activities. Steel City Corporation provides home delivery and single copy supplies to newspaper circulation departments.

After a review by the PAGE Supplier Evaluation Committee and judgement of criteria including a performance survey completed by the newspaper members, Steel City Corporation was recognized as a Platinum Supplier to the cooperative. Only 14 of the 110 suppliers were bestowed this recognition.

Additional information regarding the PAGE Cooperative can be obtained on their website at www.pagecooperative.com or by calling (800) 469-9568. Information regarding Steel City Corporation can be obtained at www.scity.com or (800) 321-0350.
